

## **Consultancy to Develop a Country Focus Report on the CSO Enabling Environment**

---

The Uganda National NGO Forum (UNNGOF) invites applications from qualified and independent consultants to develop the Country Focus Report for Uganda as part of the System for an Enabling Environment for Civil Society (SEE) project. The report will provide an evidence-based analysis of the enabling environment for Civil Society Organizations (CSOs) in Uganda, based on six key dimensions: respect and protection of fundamental civic freedoms, supportive legal and regulatory framework, accessible and sustainable resources, open and responsive State, supportive public culture and discourses on civil society, and access to a secure digital environment.

### **Objective**

The consultancy aims to assess and document the state of the enabling environment for CSOs in Uganda, providing actionable insights and recommendations to improve the enabling environment.

### **Scope of Work**

- Conduct an in-depth analysis of the six dimensions of the CSO enabling environment.
- Gather and analyze relevant data and evidence.
- Participate in meetings of the panel of CSO representatives and experts convened by UNNGOF to score the different dimensions.
- Draft and finalize the Country Focus Report, incorporating feedback from stakeholders.

### **Deliverable**

A comprehensive narrative Country Focus Report providing an evidence-based analysis of the CSO enabling environment in Uganda.

### **Application Procedure**

Interested individuals should submit the following:

- A cover letter outlining their suitability for the assignment.
- A copy of their Curriculum Vitae (CV).
- A one-page summary of their proposed approach, including the proposed cost of the assignment.

Submissions should be sent via email to the Executive Director, Uganda National NGO Forum, at [procurement@ngoforum.or.ug](mailto:procurement@ngoforum.or.ug) by Friday, 4th April 2025.

Disclaimer: UNNGOF reserves the right to accept or reject any or all submissions.
